5.6 The *Agreement* may be ended immediately by either *you* or *us* by giving written notice to that effect to the other at any time after the *Authority* or the Secretary of State has revoked the *Licence*.

5.7 If a gas supply continues to be available at the *Premises* after the end of the *Agreement*, without another *Gas Supplier* obtaining all authorisations or registrations required under the *Act* to enable that *Gas Supplier* to provide a supply of gas to the *Premises*, or *our* commencing a supply of gas to the *Premises* under another arrangement, we will be entitled to charge *you*, and upon demand *you* will immediately pay to *us*, such amount as we may reasonably determine in respect of such supply until another *Gas Supplier* has obtained all authorisations or registrations required under the *Act* to enable

that *Gas Supplier* to provide, or we under another arrangement commence, a supply of gas to the *Premises*.

5.8 If we increase the price or vary other terms of the *Agreement* to *your* significant disadvantage we will notify *you* of that increase or variation by giving *you* at least 30 calendar days notice before the date the increase or variation takes effect. If *you* do not accept the increase or variation *you* are entitled to end the *Agreement* by giving *us* notice to end the *Agreement* at any time prior to the effective date of that increase or variation. If *you* give *us* that notice, the increase or variation will not take place. However the increase or variation will come into effect if, within 15 *Working Days* of *you* giving that notice to *us*, we do not receive notification through the relevant supply industry processes that another supplier will begin to supply the *Premises* within a reasonable period of time after that notice has been given by *you*.

PART 3 – ELECTRICITY SUPPLY CONDITIONS

6. BEFORE WE ARE ABLE TO SUPPLY YOU

6.1 *Our* obligation to supply *you* with electricity shall only come into force once *you* have given to *us* such information and taken such action required of *you* in order to enable *us* to obtain, and we have obtained, all authorisations or registrations required under the *Act* to enable *us* to provide a supply of electricity to *you* at the *Premises*. While we expect those conditions will be fulfilled, if they have not been fulfilled within 3 months of the date of the *Application Form* or *Verbal Agreement* (as applicable), we may end the *Agreement* in relation to the supply of electricity without any liability by giving notice to *you* in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by e-mail.

6.2 If the electricity meter(s) at the *Premises* are not of a type suitable for *your* payment option, *you* agree that we shall not be under any obligation to seek registration as the *Electricity Supplier* for the *Premises* and where those circumstances come to our attention:

- when we are in the process of being registered, we may seek to withdraw from that registration process; or
- after we have been registered, we may seek *our* de-registration and the re-registration of *your* previous supplier of electricity, and we may end the *Agreement* in relation to a supply of electricity without any liability by giving notice to *you* in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by e-mail.

6.3 Throughout the period of the *Agreement* *you* will be the owner or occupier of the *Premises*, which will be connected at the *Connection Point*.

6.4 We will not be under any obligation to supply any electricity to the *Premises* at any time or from time to time in excess of the maximum amounts which *you* are entitled to take through the *Connection Point*.

ScottishPower Gas and Electricity

General Terms and Conditions for domestic customers

7. EQUIPMENT

- 7.1 The quantity of electricity supplied to the *Connection Point* shall be measured by the meter(s).
- 7.2 You will allow the *Distributor* or any other person authorised by the *Distributor* or us at its expense to install, operate, maintain, repair or replace any of the *Distributor's* apparatus on the *Distributor's* side of, but including, the meter(s), all of which shall remain the property of the *Distributor* or such authorised person.
- 7.3 If you wish to acquire your own meter(s) by purchase, hire or loan (otherwise than from us or the *Distributor*) and/or make your own meter reading arrangements, that meter or those meters and/or the meter reading arrangements must be acceptable to us.
- 7.4 If you exercise your rights under Condition 7.3, you will arrange that you are entitled, or have the consent of any relevant third party to allow you, to use any meter(s) or other similar equipment installed at the *Premises* which will be used for measuring the amount of electricity consumed at the *Premises* or otherwise in connection with the supply of electricity to the *Premises*. Where you arrange for your meter(s) to be read or operated by any other person, you will indemnify us against any loss or damage suffered by us in consequence of an act or omission of that person.
- 7.5 You will allow any operational metering equipment which the *Distributor* or any other person authorised by the *Distributor* or us installs at the *Premises* to remain in place.
- 7.6 For the carrying out of any of the additional work which you may ask us, or we may have, to carry out and/or in connection with any attempt to disconnect or re-connect your supply, we may charge you, and you will pay, reasonable charges.

8. SAFETY AND EMERGENCIES

The supply of electricity to the *Connection Point* may be disconnected or altered at our sole discretion if we consider it necessary to do so:

- to avoid danger, or because failure to disconnect or to alter that supply would involve us being in breach of the *Act* or the *Regulations*; or
- to avoid failure of or interference with our supply of electricity to any other person caused by any failure by you to comply with your obligations under the *Regulations*; or
- if and to the extent that the *Distributor* disconnects or reduces the maximum capacity of the *Connection Point*; or
- in the event of any breach of the *Agreement* by you;

and the supply of electricity to the *Connection Point* may be disconnected or altered on each occasion for such period as we in our sole discretion may consider necessary. Where the disconnection of the supply of electricity to the *Connection Point* is due to your act or omission, any restoration of that supply may be conditional upon you paying a reasonable restoration charge.

9. ENDING THE AGREEMENT

- 9.1 References in Condition 9 to the ending of the *Agreement* are in relation to the ending of the supply of electricity.
- 9.2 You may end the *Agreement* by giving to us at least 28 days', or such lesser period as we may agree, notice in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by email but only if by the expiry of that notice:
- another *Electricity Supplier* commences a supply of electricity to the *Premises*; or
 - the *Premises* are disconnected because you have ceased to require a supply of electricity to the *Premises*,
- and in each case, no charges for electricity supplied to you (whether at the *Premises* or at any properties previously occupied by you) having been demanded in writing prior to you giving that notice remain owing to us more than 28 days after that demand was made. Where the requirements of Condition 9.2 are satisfied in relation to any notice to end the *Agreement*, the *Agreement* will end upon the expiry of that notice.
- 9.3 You may end the *Agreement* if you cease to either own or occupy the *Premises* and you give us 2 Working Days', or such lesser period as we may agree, notice prior to so ceasing, and the *Agreement* will end upon the expiry of such notice.
- 9.4 If you cease to own or occupy the *Premises* without giving us at least 2 Working Days' notice the *Agreement* will end on whichever of the following occurs sooner:
- the second Working Day after you do give notice to us that you have ceased either to own or occupy the *Premises* and have provided us with a completed lease or such other relevant documents as we may reasonably request from you, or
 - a new owner or occupier enters into a contract for the supply of electricity to the *Premises*, or
 - the next day after you have vacated the *Premises* on which the meter(s) is or are due to be read.
- 9.5 We may end the *Agreement* and/or disconnect your supply of electricity at any time on giving 28 days' notice of our wish to end the *Agreement*, or at any time on giving you notice to that effect:
- if you fail to pay any amount due to us by the date upon which such amount was due, or
 - if you are using electricity for a different purpose than that for which we agreed to supply it, or
 - if you commit a material breach of the *Agreement*, and in each case the *Agreement* will end and/or we may disconnect your supply upon the expiry of such notice.
- 9.6 The *Agreement* may be ended immediately by either you or us by giving written notice to that effect to the other at any time after the *Authority* or the *Secretary of State* has revoked the *Licence*.
- 9.7 If an electricity supply continues to be available at the *Premises* after the end of the *Agreement*, without another *Electricity Supplier* obtaining all authorisations or registrations required under the *Act* to enable that *Electricity Supplier* to provide a supply of electricity to the *Premises*, or our commencing a supply of

ScottishPower Gas and Electricity

General Terms and Conditions for domestic customers

electricity to the *Premises* under another arrangement, we will be entitled to charge you, and upon demand you will immediately pay to us, such amount as we may reasonably determine in respect of such supply until another *Electricity Supplier* has obtained all authorisations or registrations required under the *Act* to enable that *Electricity Supplier* to provide, or we under another arrangement commence, a supply of electricity to the *Premises*.

- 9.8 If we increase the price or vary other terms of the *Agreement* to your significant disadvantage we will notify you of that increase or variation by giving you at least 30 calendar days notice before the date the increase or variation takes effect. If you do not accept the increase or variation you are entitled to end the *Agreement* by giving us notice to end the *Agreement* at any time prior to the effective date of that increase or variation. If you give us that notice, the increase or variation will not take place. However the increase or variation will come into effect if, within 15 *Working Days* of you giving that notice to us, we do not receive notification through the relevant supply industry processes that another supplier will begin to supply the *Premises* within a reasonable period of time after that notice has been given by you.

10. NATIONAL TERMS OF CONNECTION

You agree that by entering into the *Agreement*, you are also entering into an agreement with the *Distributor* on the terms and conditions of the *National Terms of Connection*.

PART 4 - OTHER CONDITIONS

11. COMMENCEMENT AND CONTINUATION OF AGREEMENT

- 11.1 You appoint us as your agent for the purpose of allowing us on your behalf to terminate other gas and/or electricity contracts (if any) as may be required in order to allow the *Agreement* to come into force.
- 11.2 Subject to Condition 11.3, if you have selected a supply of gas and electricity then even if our obligation to supply gas or electricity does not come into force or we end the *Agreement* in relation to a supply of gas or electricity the *Agreement* will continue in full force and effect in relation to the other *Fuel*.
- 11.3 If you have selected a supply of gas and electricity and we are not registered, or we are de-registered, as the *Electricity Supplier* for the electricity supply to the *Premises* in the circumstances described in Condition 6.2, and you no longer wish us to supply gas to the *Premises*, at your request:
- unless we have done so already, we will not seek registration as the *Gas Supplier* for the *Premises*; or
 - if we are in the process of being registered as the *Gas Supplier* for the *Premises*, we will seek to withdraw from that registration process; or
 - after we have been registered as the *Gas Supplier* for the *Premises*, we will seek our de-registration and the re-registration of your previous supplier of gas,
- and we may end the *Agreement* in relation to a supply of gas without any liability by giving notice to you in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by e-mail.

12. TRANSFER OF CHARGES

- 12.1 If we have made any payment to your previous supplier(s) of gas or electricity in respect of charges for the supply of gas or electricity to you at the *Premises* then we will be entitled to recover from you the amount of those charges

together with our reasonable costs in recovering this amount. We will either add that sum to your next invoice(s) or at our option spread it over such number of invoices as we may decide, except where you have any prepayment meter(s) when we may adjust the prepayment meter(s) to recover that sum.

- 12.2 If you end the *Agreement* in relation to the supply of gas and/or electricity and leave unpaid charges payable under the *Agreement* for gas and/or electricity which we have supplied to you, then (where we are entitled to do so in terms of the *Licence*) we may transfer the right to recover those unpaid charges to another supplier who has, or other suppliers who have, commenced the supply of gas or electricity to you at the *Premises*.
13. ACCESS, PAYMENT AND EQUIPMENT
- 13.1 You will allow the *Transporter*, *Distributor* or any other person authorised by the *Transporter*, *Distributor* or us full, free and safe rights of access to the *Premises* at all times if the *Transporter*, *Distributor* or we think it is necessary to cut off and/or disconnect the supply of *Fuel* to avoid danger to life or property and at all reasonable times for any other purpose authorised by the *Act*.
- 13.2 Subject to Condition 13.3, we will bill you and you will pay us for a supply of *Fuel* made by us in accordance with the payment option, and at the price applying to that payment option, as specified in the *Application Form* or in the *Verbal Agreement* and recorded and detailed in the *Letter* (as applicable).
- 13.3 When you fail to make a payment at any time or from time to time under the terms of the payment option agreed between you and us, we will be entitled to replace that payment option with an alternative payment option, and you will pay us in accordance with that alternative payment option, at the price applicable to that alternative payment option, as specified by us to you at that time.
- 13.4 In relation to a supply of gas where the *Transporter* is not the gas transporter whose transportation charges our prices are based on, you will also pay the additional amount (if any) specified as being payable in those circumstances in the *Application Form* or in the *Verbal Agreement* and recorded and detailed in the *Letter* (as applicable).
- 13.5 We may increase any of the prices and/or charges at any time or from time to time and we may reduce any of the prices and/or charges at any time or from time to time. If we so increase any of the prices and/or charges, we will notify you in accordance with Condition(s) 5.8 and/or 9.8 (as applicable).
- 13.6 In addition to the price and/or any charge, you will pay any *Taxes* other than any tax payable by us on our income or profits.
- 13.7 When your payment option does not require you to pay by direct debit or prepayment meter(s), you will pay to us the full amount of the charges payable under the *Agreement*, within 7 days of the date of a bill, (a) in respect of an *Agreement* other than an *Agreement* including the provision of the *Online Energy Service*, by post with a cheque or postal order, or at any place which has facilities for receiving such payments on our behalf, (b) in respect of an *Agreement* including the provision of the *Online Energy Service*, over the Internet and/or digital television by debit card or (c) as otherwise agreed between us and you.

ScottishPower Gas and Electricity

General Terms and Conditions for domestic customers

- 13.8 Where we bill you, if information on the quantity of *Fuel* supplied by us is not available we may bill you on the basis of estimated readings for your likely consumption. When that information is available, we will make the appropriate adjustment, if any, to your next bill. Where you have any prepayment meter(s), if the amount you pay to us by use of prepayment meter card(s) or key(s) is less than the charge for the consumption taken through the prepayment meter(s), you will pay us the difference by our adjusting the prepayment meter(s) or requiring you to pay a lump sum to us.
- 13.9 If you pay to us at any time or from time to time an amount which is less or more than the amount due we may apply that payment as we decide.
- 13.10 On each occasion that you pay to us in full and final settlement of the amount due an amount which is less than the amount due, should we accept such payment that does not mean that we agree to that payment being full and final settlement of the amount due. You agree that:
- we can retain such payment as part-payment towards the amount due without the requirement for us to notify you of our rejection of that part-payment as full and final settlement of the amount due; and
 - our retention of such payment will not prevent us recovering from you the amount due which we consider remains to be paid.
- 13.11 We will be entitled at any time and from time to time to set off any liability that you have to us against any liability that we have to you.
- 13.12 We may charge you, and you will pay, the reasonable costs incurred by us in relation to any breach by you of the *Agreement*, including any costs incurred in recovering any amount which is not paid by you on the date payment was due.
- 13.13 If any charges are outstanding from the date of the first reminder we can charge you interest from the date payment was due at the annual rate of 2% above the base lending rate of The Royal Bank of Scotland plc from time to time (or its equivalent if a base lending rate is not quoted by The Royal Bank of Scotland plc) on those charges.
- 13.14 If the *customer* comprises more than one person, all agreements and obligations entered into in the *Agreement* by the *customer* are entered into jointly and severally by each of the persons comprising the *customer*. We may take action against any one or more of the persons comprising the *customer* and/or may release in whole or in part the liability of any one or more of those persons under the *Agreement* or grant any relaxation without affecting the liability of the other of those persons.
- 13.15 You will pay to us such reasonable deposit by way of security as we, consistent with the *Licence*, may at any time or from time to time request. If we make such a request prior to the commencement of the supply of *Fuel* under the *Agreement*, that supply will not start until that deposit has been provided.
- 13.16 You will be responsible at all times for the *Equipment* on your side of the meter(s) and at your expense will procure that it is maintained in good working order and condition, and is operated in compliance with the *Act*.
- 13.17 The reading shown on the register of the meter(s) shall be regarded as prima facie evidence of the amount of *Fuel* supplied to the *Premises*. However, if either you or we dispute the accuracy of such reading, arrangements shall be made for such meter to be inspected and tested under the *Act*. If a meter is found to be operating within the limits of accuracy required by the *Act*, the cost of inspection and testing that meter will be borne by whoever disputed the accuracy of that meter.
- 13.18 You must take reasonable care to keep the meter(s) measuring the supply of *Fuel* to the *Premises* free from damage or interference. If you do not you must pay us for the reasonable costs:
- paid or incurred by us to repair or replace it or them; or
 - incurred by us or any person authorised by us in responding to a request for any attendance due to a failure by you to take reasonable care of the meter(s).
- #### 14. DIRECT DEBIT BONUS SCHEME
- 14.1 In the event that your payment option is monthly direct debit, at your *Annual Reassessment* we shall calculate the bonus, if any, payable to you under the *Direct Debit Bonus Scheme* in accordance with the criteria available by contacting us and as detailed on our website at www.scottishpower.co.uk/ddbonus, as may be amended by us from time to time. Any bonus payable to you shall be detailed on your *Annual Reassessment* statement.
- 14.2 In the event that we are unable to determine the net amount of credit in your account due to technical issues or failure by you to provide an accurate up-to-date meter reading on request, we shall be entitled to delay paying you any applicable bonus until such issues are resolved.
- 14.3 Only one bonus payment under the *Direct Debit Bonus Scheme* may be payable to you in a twelve (12) month period.
- 14.4 In the event that you:
- have left us or we are notified that you intend to leave us prior to the *Annual Reassessment* date; or
 - are in breach of any of your obligations under these terms and conditions; or
 - you default in your direct debit payments,
- you shall not be entitled to any bonus payment under the *Direct Debit Bonus Scheme*.
- 14.5 For the avoidance of doubt, the *Direct Debit Bonus Scheme* shall only apply to credit which has accumulated as a direct result of overpayment in accordance with direct debit instruction, as required by us. Any sums paid directly into your account by you at your request will be disregarded for the purposes of calculating any bonus payable.
- 14.6 In the case of any dispute with regard to the amount of any bonus paid to you in accordance with the *Direct Debit Bonus Scheme*, our decision will be final and binding.
- 14.7 Any overpayment received by us from you shall not constitute a deposit.
- 14.8 We reserve the right to withdraw the *Direct Debit Bonus Scheme* at any time. Any such withdrawal will be notified to you.

The performance by *you* or by *us* of obligations under the *Licence* or the *Act* or any other relevant legislation will not constitute breach of any provision of the *Agreement*.

As a result that party will acquire the rights and assume the obligations as if it had been the original party to the *Agreement* with *you*. *We* will be released from all of *our* obligations under the *Agreement* so assigned and transferred, and, from then on, *your* dealings will be with that party in respect of the rights and obligations assigned and transferred. *You* cannot assign or transfer any of *your* rights or obligations under the *Agreement* without first of all obtaining *our* consent in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by e-mail.
- 15.5 If *we* are required by any court, competent authority or the *Authority* to amend the *Agreement*, or need to do so to reflect any change in the *Licence* or any order made in terms of the *Act*, *we* may do so and will notify *you* of the changes.
- 15.6 In respect of a *Verbal Agreement* (a) the details recorded in the *Letter* shall be conclusive as to the terms of the *Verbal Agreement*, (b) *you* confirm that the information given by *you* in the *Verbal Agreement* as recorded and detailed in the *Letter* is complete and correct and (c) *you* accept that the supply of gas and the supply of electricity will each start as soon as is practicable after the date of the *Verbal Agreement*.
- 15.7 It is *our* intention that all the terms of the contract between *us* and *you* are contained in these terms and conditions and in the brochures and specifications provided to *you* which relate to the *Agreement*.
- 15.8 The *Agreement* shall be construed and implemented in accordance with English law if the *Premises* are in England and Wales and in accordance with Scots law if the *Premises* are in Scotland.

 - *you* will be required to enter a username and a password in order to gain access to the *Online Energy Service*. *You* are solely responsible for maintaining the security of *your* username and password;
 - *you* must follow the rules for the use of the *Online Energy Service* detailed on *our* web site at any time and from time to time. Should *you* not do so, *we* shall be entitled to charge *you* the reasonable charge for each instance of *your* not following a rule specified on *our* web site at that time;
 - *you* or *we* may at any time withdraw from the *Agreement* in relation to the *Online Energy Service* by giving notice to that effect to the other and the *Agreement* will continue in full force and effect in relation to an *Agreement* not including the provision of the *Online Energy Service*;
 - *we* can suspend any or all of the *Online Energy Service* at any time and from time to time for such period as *we* in *our* sole discretion consider necessary to allow *us* to inspect, maintain, renew, repair or revise *our* web site;
 - in performing the *Online Energy Service* *our* obligation is only to exercise the reasonable care and skill which would be exercised by a competent provider of such services in the same circumstances.

17. CONTINUING OBLIGATIONS

The ending of the *Agreement* shall not affect any of *your*, the *Distributor's* or *our* rights, remedies or obligations which may have accrued before or as a result of the ending of the *Agreement* and shall not affect any of *your*, the *Distributor's* or *our* rights, remedies or obligations which either expressly or by implication in the *Agreement* are stated to continue after the ending of the *Agreement*.

18. LIMITATION OF LIABILITY

If *we* fail to comply with any term of the *Agreement*, or are negligent, *you* may be entitled under the general law to recover compensation from *us* for any loss or damage *you* have suffered. However, *we* will not be required to compensate *you* for loss or damage caused by anything beyond *our* reasonable control, or for any loss or damage which is consequential, indirect or financial or arises from or amounts to *Economic Loss* or wasted expenses, other than where *you* are entitled to recover compensation for such loss or damage under the general law in relation to death, personal injury or fraudulent misrepresentation. Provided that *our* total liability in respect of all claims for such loss or damage, save for that occurring through death, personal injury or fraudulent misrepresentation, arising in any one calendar year shall not exceed £1,000,000.
