PART 2 – GAS SUPPLY CONDITIONS

2. BEFORE WE ARE ABLE TO SUPPLY YOU

2.1 Our obligation to supply you with gas shall only come into force once you have given to us such information and taken such action required of you in order to enable us to obtain, and we have obtained, all authorisations or registrations required under the Act to enable us to provide a supply of gas to you at the Premises. While we expect those conditions will be fulfilled, if they have not been fulfilled within 3 months of the date of the Application Form or Verbal Agreement (as applicable), we may end the Agreement in relation to the supply of gas without any liability by giving notice to you in writing or in respect of an Agreement including the provision of the Online Energy Service by e-mail.

2.2 We shall complete the transfer, using the relevant supply industry processes, of the mains gas supply to the Premises from your existing Gas Supplier to us within 21 days following the end of the Cancellation Period, but that is subject to the following qualifications:-

- (i) you request us to carry out the transfer within a longer period;
- (ii) the existing Gas Supplier has prevented the transfer in a way in which it is permitted to do under its gas supply licence;
- (iii) we do not have all of the information we need to complete the transfer and:

(a) we have taken all reasonable steps to obtain the missing information from you and/or your existing Gas Supplier and you and/or your existing Gas Supplier has not provided that information, or the information provided is incorrect; and

(b) that information is not readily available to us from another source; or

- (iv) we are prevented from completing the transfer due to any other circumstances caused by you.

In any event we shall complete the transfer within 21 days of the date on which the applicable qualification(s) of this Condition 2.2 no longer apply to the transfer.

2.3 Throughout the period of the Agreement you will be the owner or occupier of the Premises, which will be connected to the mains gas pipeline system.

3. EQUIPMENT

3.1 The quantity of gas supplied in energy terms shall be calculated in the manner described in the Licence, details of which are available from us.

3.2 You will allow the Transporter or any other person authorised by the Transporter or us at its expense to install, operate, maintain, repair or replace any Equipment on the Transporter's

side of, but including, the meter(s), all of which shall remain the property of the Transporter or such authorised person.

- 3.3 You will pay the costs of any provision and/or installation of any mains, pipes or other plant or equipment which require to be installed, replaced, enlarged, extended or renewed in order to allow you to receive the supply of mains gas you require at the Premises.
- 3.4 If you wish to acquire your own meter(s) by purchase, hire or loan (otherwise than from us or the Transporter) and/or make your own meter reading arrangements, that meter or those meters and/or the meter reading arrangements must be acceptable to us.
- 3.5 If you exercise your rights under Condition 3.4, you will arrange that you are entitled, or have the consent of any relevant third party to allow you, to use any meter(s) or other similar equipment installed at the Premises which will be used for measuring the amount of gas consumed at the Premises or otherwise in connection with the supply of gas to the Premises. Where you arrange for your meter(s) to be read or operated by any other person, you will indemnify us against any loss or damage suffered by us in consequence of an act or omission of that person.
- 3.6 For the carrying out of any of the additional work which you may ask us, or we may have, to carry out and/or in connection with any attempt to disconnect or re-connect your supply, we may charge you, and you will pay, reasonable charges.
- 4. SAFETY AND EMERGENCIES
- 4.1 You will not use gas in a way which is likely to create any risk to the health or safety of any person or risk of damage to property or affect the supply of gas to other consumers.
- 4.2 If you suspect an escape of gas, or damage to any Equipment which might result in the escape of gas, you must notify the Transporter immediately. The telephone number is 0800 111 999. We will notify you if the telephone number changes.
- 4.3 If we are given a direction under any act of parliament or regulation prohibiting or restricting the supply of gas to specified persons, then for so long as the direction is in force and so far as is necessary or expedient for the purposes of or in connection with the direction:
 - we shall be entitled to discontinue or restrict the supply of gas to you, and
 - you will refrain from using, or will restrict your use of, gas as required by our instructions.
- 4.4 We will not have to supply the Premises with more gas than can be supplied by the Transporter and in accordance with the Act to the Premises.

- 5.1 References in Condition 5 to the ending of the Agreement are in relation to the ending of the supply of gas.
- 5.2 The Agreement shall end on the date a new Gas Supplier is permitted by the relevant supply industry processes to supply gas to the Premises.
- 5.3 You may end the Agreement if you cease to either own or occupy the Premises and you give us 2 Working Days', or such lesser period as we may agree, notice prior to so ceasing, and the Agreement will end upon the expiry of such notice.
- 5.4 If you cease to own or occupy the Premises without giving us at least 2 Working Days' notice the Agreement will end on whichever of the following occurs sooner:
 - the second Working Day after you do give notice to us that you have ceased either to own or occupy the Premises and have provided us with a completed lease or such other

relevant documents as we may reasonably request from you, or

- a new owner or occupier enters into a contract for the supply of gas to the Premises.
- 5.5 We may end the Agreement and/or disconnect your supply of gas at any time on giving 28 days' notice of our wish to end the Agreement, or at any time on giving you notice to that effect:
 - if you fail to pay any amount due to us by the date upon which such amount was due, or
 - if you are using gas for a different purpose than that for which we agreed to supply it, or
 - if you commit a material breach of the Agreement, and in each case the Agreement will end and/or we may disconnect your supply upon the expiry of such notice.
- 5.6 The Agreement may be ended immediately by either you or us by giving written notice to that effect to the other at any time after the Authority or the Secretary of State has revoked the Licence.
- 5.7 If a gas supply continues to be available at the Premises after the end of the Agreement, without another Gas Supplier obtaining all authorisations or registrations required under the Act to enable that Gas Supplier to provide a supply of gas to the Premises, or our commencing a supply of gas to the Premises under another arrangement, we will be entitled to charge you, and upon demand you will immediately pay to us, such amount as we may reasonably determine in respect of such supply until another Gas Supplier has obtained all authorisations or registrations required under the Act to enable that Gas Supplier to provide, or we under another arrangement commence, a supply of gas to the Premises.
- 5.8 If we increase the price or vary other terms of the Agreement to your significant disadvantage we will notify you of that increase or variation by giving you at least 30 calendar days' notice before the date the increase or variation takes effect. If you do not accept the increase or variation you are entitled to end the Agreement by giving us notice to end the Agreement, at any time prior to that increase or variation taking effect. If you give us that notice, the increase or variation will not take place. However the increase or variation will come into effect if, within 15 Working Days of you giving that notice to us, we do not receive notification through the relevant supply industry processes that another Gas Supplier will begin to supply the Premises within a reasonable period of time after that notice has been given by you.

PART 3 – ELECTRICITY SUPPLY CONDITIONS

6. BEFORE WE ARE ABLE TO SUPPLY YOU

- 6.1 Our obligation to supply you with electricity shall only come into force once you have given to us such information and taken such action required of you in order to enable us to obtain, and we have obtained, all authorisations or registrations required under the Act to enable us to provide a supply of electricity to you at the Premises. While we expect those conditions will be fulfilled, if they have not been fulfilled within 3 months of the date of the Application Form or Verbal Agreement (as applicable), we may end the Agreement in relation to the supply of electricity without any liability by giving notice to you in writing or in respect of an Agreement including the provision of the Online Energy Service by e-mail.
- 6.2 We shall complete the transfer, using the relevant supply industry processes, of the electricity supply to the Premises from your existing Electricity Supplier to us within 21 days of the end of the Cancellation Period, but that is subject to the following qualifications:-

- (i) you request us to carry out the transfer within a longer period;
- (ii) the existing Electricity Supplier has prevented the transfer in a way in which it is permitted to do under its electricity supply licence;
- (iii) we do not have all of the information we need to complete the transfer and:
 - (a) we have taken all reasonable steps to obtain the missing information from you and/or your existing Electricity Supplier and you and/or your existing Electricity Supplier has not provided that information, or the information provided is incorrect; and
 - (b) that information is not readily available to us from another source;
- (iv) we are prevented from completing the transfer due to any other circumstances caused by you.

In any event we shall complete the transfer within 21 days of the date on which the applicable exception(s) of this Condition 6.2 no longer apply to the transfer.

6.3 If the electricity meter(s) at the Premises are not of a type suitable for your payment option, you agree that we shall not be under any obligation to seek registration as the Electricity Supplier for the Premises and where those circumstances come to our attention:

- when we are in the process of being registered, we may seek to withdraw from that registration process; or
- after we have been registered, we may seek our de-registration and the re-registration of your previous supplier of electricity, and we may end the Agreement in relation to a supply of electricity without any liability by giving notice to you in writing or in respect of an Agreement including the provision of the Online Energy Service by e-mail.

6.4 Throughout the period of the Agreement you will be the owner or occupier of the Premises, which will be connected at the Connection Point.

6.5 We will not be under any obligation to supply any electricity to the Premises at any time or from time to time in excess of the maximum amounts which you are entitled to take through the Connection Point.

7. EQUIPMENT

7.1 The quantity of electricity supplied to the Connection Point shall be measured by the meter(s).

7.2 You will allow the Distributor or any other person authorised by the Distributor or us at its expense to install, operate, maintain, repair or replace any of the Distributor's apparatus on the Distributor's side of, but including, the meter(s), all of which shall remain the property of the Distributor or such authorised person.

7.3 If you wish to acquire your own meter(s) by purchase, hire or loan (otherwise than from us or the Distributor) and/or make your own meter reading arrangements, that meter or those meters and/or the meter reading arrangements must be acceptable to us.

7.4 If you exercise your rights under Condition 7.3, you will arrange that you are entitled, or have the consent of any relevant third party to allow you, to use any meter(s) or other similar equipment installed at the Premises which will be used for measuring the amount of electricity consumed at the Premises or otherwise in connection with the supply of electricity to the Premises. Where you arrange for your meter(s) to be read or operated by any other person, you will indemnify us against any loss or damage suffered by us in consequence of an act or omission of that person.

- 7.5 You will allow any operational metering equipment which the *Distributor* or any other person authorised by the *Distributor* or *us* installs at the *Premises* to remain in place.
- 7.6 For the carrying out of any of the additional work which *you* may ask *us*, or *we* may have, to carry out and/or in connection with any attempt to *disconnect* or re-connect *your* supply, *we* may charge *you*, and *you* will pay, reasonable charges.
- 8. SAFETY AND EMERGENCIES**
- The supply of electricity to the *Connection Point* may be *disconnected* or altered at *our* sole discretion if *we* consider it necessary to do so:
- to avoid danger, or because failure to *disconnect* or to alter that supply would involve *us* being in breach of the *Act* or the *Regulations*; or
 - to avoid failure of or interference with *our* supply of electricity to any other person caused by any failure by *you* to comply with *your* obligations under the *Regulations*; or
 - if and to the extent that the *Distributor disconnects* or reduces the maximum capacity of the *Connection Point*; or
 - in the event of any breach of the *Agreement* by *you*;
- and the supply of electricity to the *Connection Point* may be *disconnected* or altered on each occasion for such period as *we* in *our* sole discretion may consider necessary. Where the *disconnection* of the supply of electricity to the *Connection Point* is due to *your* act or omission, any restoration of that supply may be conditional upon *you* paying a reasonable restoration charge.
- 9. ENDING THE AGREEMENT**
- 9.1 References in Condition 9 to the ending of the *Agreement* are in relation to the ending of the supply of electricity.
- 9.2 The *Agreement* shall end on the date a new *Electricity Supplier* is permitted by the relevant supply industry processes to supply electricity to the *Premises*.
- 9.3 *You* may end the *Agreement* if *you* cease to either own or occupy the *Premises* and *you* give *us* 2 *Working Days*, or such lesser period as *we* may agree, notice prior to so ceasing, and the *Agreement* will end upon the expiry of such notice.
- 9.4 If *you* cease to own or occupy the *Premises* without giving *us* at least 2 *Working Days* notice the *Agreement* will end on whichever of the following occurs sooner:
- the second *Working Day* after *you* do give notice to *us* that *you* have ceased either to own or occupy the *Premises* and have provided *us* with a completed lease or such other relevant documents as *we* may reasonably request from *you*, or
 - a new owner or occupier enters into a contract for the supply of electricity to the *Premises*.
- 9.5 *We* may end the *Agreement* and/or *disconnect your* supply of electricity at any time on giving 28 days' notice of *our* wish to end the *Agreement*, or at any time on giving *you* notice to that effect:
- if *you* fail to pay any amount due to *us* by the date upon which such amount was due, or
 - if *you* are using electricity for a different purpose than that for which *we* agreed to supply it, or
 - if *you* commit a material breach of the *Agreement*, and in each case the *Agreement* will end and/or *we* may *disconnect your* supply upon the expiry of such notice.
- 9.6 The *Agreement* may be ended immediately by either *you* or *us* by giving written notice to that effect to the other at any time after the *Authority* or the Secretary of State has revoked the *Licence*.
- 9.7 If an electricity supply continues to be available at the *Premises* after the end of the *Agreement*, without another *Electricity Supplier* obtaining all authorisations or registrations required under the *Act* to enable that *Electricity Supplier* to provide a supply of electricity to the *Premises*, or *our* commencing a supply of electricity to the *Premises* under another arrangement, *we* will be entitled to charge *you*, and upon demand *you* will immediately pay to *us*, such amount as *we* may reasonably determine in respect of such supply until another *Electricity Supplier* has obtained all authorisations or registrations required under the *Act* to enable that *Electricity Supplier* to provide, or *we* under another arrangement commence, a supply of electricity to the *Premises*.
- 9.8 If *we* increase the price or vary other terms of the *Agreement* to *your* significant disadvantage *we* will notify *you* of that increase or variation by giving *you* at least 30 calendar days' notice before the date the increase or variation takes effect. If *you* do not accept the increase or variation *you* are entitled to end the *Agreement* by giving *us* notice to end the *Agreement*, at any time prior to the increase or variation taking effect. If *you* give *us* that notice, the increase or variation will not take place. However the increase or variation will come into effect if, within 15 *Working Days* of *you* giving that notice to *us*, *we* do not receive notification through the relevant supply industry processes that another *Electricity Supplier* will begin to supply the *Premises* within a reasonable period of time after that notice has been given by *you*.
- 10. NATIONAL TERMS OF CONNECTION**
- You* agree that by entering into the *Agreement*, *you* are also entering into an agreement with the *Distributor* on the terms and conditions of the *National Terms of Connection*.
- PART 4 - OTHER CONDITIONS**
- 11. COMMENCEMENT AND CONTINUATION OF AGREEMENT**
- 11.1 *You* appoint *us* as *your* agent for the purpose of allowing *us* on *your* behalf to terminate other gas and/or electricity contracts (if any) as may be required in order to allow the *Agreement* to come into force.
- 11.2 Subject to Condition 11.3, if *you* have selected a supply of gas and electricity then even if *our* obligation to supply gas or electricity does not come into force or *we* end the *Agreement* in relation to a supply of gas or electricity the *Agreement* will continue in full force and effect in relation to the other *Fuel*.
- 11.3 If *you* have selected a supply of gas and electricity and *we* are not registered, or *we* are de-registered, as the *Electricity Supplier* for the electricity supply to the *Premises* in the circumstances described in Condition 6.2, and *you* no longer wish *us* to supply gas to the *Premises*, at *your* request:
- unless *we* have done so already, *we* will not seek registration as the *Gas Supplier* for the *Premises*; or
 - if *we* are in the process of being registered as the *Gas Supplier* for the *Premises*, *we* will seek to withdraw from that registration process; or
 - after *we* have been registered as the *Gas Supplier* for the *Premises*, *we* will seek *our* de-registration and the re-registration of *your* previous supplier of gas,
- and *we* may end the *Agreement* in relation to a supply of gas without any liability by giving notice to *you* in writing or in respect of an *Agreement* including the provision of the *Online Energy Service* by e-mail.
- 12. TRANSFER OF CHARGES**
- 12.1 If *we* have made any payment to *your* previous supplier(s) of gas or electricity in respect of charges for the supply of gas or electricity to *you* at the *Premises* then *we* will be entitled to recover from *you* the amount of those charges together with *our* reasonable costs in recovering this amount. *We* will either add that sum to *your* next invoice(s) or at *our* option spread it over such number of invoices as *we* may decide, except where *you* have any prepayment meter(s) when *we* may adjust the prepayment meter(s) to recover that sum.
- 12.2 If *you* end the *Agreement* in relation to the supply of gas and/or electricity and leave unpaid charges payable under the *Agreement* for gas and/or electricity which *we* have supplied to *you*, then (where *we* are entitled to do so in terms of the *Licence*) *we* may transfer the right to recover those unpaid charges to another supplier who has, or other suppliers who have, commenced the supply of gas or electricity to *you* at the *Premises*.
- 13. ACCESS, PAYMENT AND EQUIPMENT**
- 13.1 *You* will allow the *Transporter*, *Distributor* or any other person authorised by the *Transporter*, *Distributor* or *us* full, free and safe rights of access to the *Premises* at all times if the *Transporter*, *Distributor* or *we* think it is necessary to cut off and/or *disconnect* the supply of *Fuel* to avoid danger to life or property and at all reasonable times for any other purpose authorised by the *Act*.
- 13.2 Subject to Condition 13.3, *we* will bill *you* and *you* will pay *us* for a supply of *Fuel* made by *us* in accordance with the payment option, and at the price applying to that payment option, as specified in the *Application Form* or in the *Verbal Agreement* and recorded and detailed in the *Letter* (as applicable).
- 13.3 When *you* fail to make a payment at any time or from time to time under the terms of the payment option agreed between *you* and *us*, *we* will be entitled to replace that payment option with an alternative payment option, and *you* will pay *us* in accordance with that alternative payment option, at the price applicable to that alternative payment option, as specified by *us* to *you* at that time.
- 13.4 In relation to a supply of gas where the *Transporter* is not the gas transporter whose transportation charges *our* prices are based on, *you* will also pay the additional amount (if any) specified as being payable in those circumstances in the *Application Form* or in the *Verbal Agreement* and recorded and detailed in the *Letter* (as applicable).
- 13.5 *We* may increase any of the prices and/or charges at any time or from time to time and *we* may reduce any of the prices and/or charges at any time or from time to time. If *we* so increase any of the prices and/or charges, *we* will notify *you* in accordance with Condition(s) 5.8 and/or 9.8 (as applicable).
- 13.6 In addition to the price and/or any charge, *you* will pay any *Taxes* other than any tax payable by *us* on *our* income or profits.
- 13.7 When *your* payment option does not require *you* to pay by direct debit or prepayment meter(s), *you* will pay to *us* the full amount of the charges payable under the *Agreement*, within 7 days of the date of a bill, (a) in respect of an *Agreement* other than an *Agreement* including the provision of the *Online Energy Service*, by post with a cheque or postal order, or at any place which has facilities for receiving such payments on *our* behalf, (b) in respect of an *Agreement* including the provision of the *Online Energy Service*, over the Internet and/or digital television by debit card or (c) as otherwise agreed between *us* and *you*.
- 13.8 Where *we* bill *you*, if information on the quantity of *Fuel* supplied by *us* is not available *we* may bill *you* on the basis of estimated readings for *your* likely consumption. When that information is available, *we* will make the appropriate adjustment, if any, to *your* next bill. Where *you* have any prepayment meter(s), if the amount *you* pay to *us* by use of prepayment meter card(s) or key(s) is less than the charge for the consumption taken through the prepayment meter(s), *you* will pay *us* the difference by *our* adjusting the prepayment meter(s) or requiring *you* to pay a lump sum to *us*.
- 13.9 If *you* pay to *us* at any time or from time to time an amount which is less or more than the amount due *we* may apply that payment as *we* decide.
- 13.10 On each occasion that *you* pay to *us* in full and final settlement of the amount due an amount which is less than the amount due, should *we* accept such payment that does not mean that *we* agree to that payment being full and final settlement of the amount due. *You* agree that:
- *we* can retain such payment as part-payment towards the amount due without the requirement for *us* to notify *you* of *our* rejection of that part-payment as full and final settlement of the amount due; and
 - *our* retention of such payment will not prevent *us* recovering from *you* the amount due which *we* consider remains to be paid.
- 13.11 *We* will be entitled at any time and from time to time to set off any liability that *you* have to *us* against any liability that *we* have to *you*.
- 13.12 *We* may charge *you*, and *you* will pay *us*, all reasonable costs, charges and expenses (including, without limiting the generality, all legal costs) incurred by *us* in relation to any breach by *you* of the *Agreement*, including any such costs, charges, expenses and legal costs) incurred in recovering any amount which is not paid by *you* on the date payment was due.
- 13.13 If *we* find that *you* were previously a *customer* of *ours* and that there are still amounts outstanding to *us* in respect of *your* previous account(s) with *us*, *we* may apply those outstanding amounts to any amounts due to *us* in terms of the *Agreement* and *we* will confirm this in writing to *you*. This sub-clause 13.13 will not apply to *you* if *you* are a prepayment *customer* unless *you* consent to it.
- 13.14 If any charges are outstanding from the date of the first reminder *we* can charge *you* interest from the date payment was due at the annual rate of 2% above the base lending rate of The Royal Bank of Scotland plc from time to time (or its equivalent if a base lending rate is not quoted by The Royal Bank of Scotland plc) on those charges.
- 13.15 If the *customer* comprises more than one person, all agreements and obligations entered into in the *Agreement* by the *customer* are entered into jointly and severally by each of the persons comprising the *customer*. *We* may take action against any one or more of the persons comprising the *customer* and/or may release in whole or in part the liability of any one or more of those persons under the *Agreement* or grant any relaxation without affecting the liability of the other of those persons.
- 13.16 *You* will pay to *us* such reasonable deposit by way of security as *we*, consistent with the *Licence*, may at any time or from time to time request. If *we* make such a request prior to the commencement of the supply of *Fuel* under the *Agreement*, that supply will not start until that deposit has been provided.
- 13.17 *You* will be responsible at all times for the *Equipment* on *your* side of the meter(s) and at *your* expense will procure that it is maintained in good working order and condition, and is operated in compliance with the *Act*.
- 13.18 The reading shown on the register of the meter(s) shall be regarded as prima facie evidence of the amount of *Fuel* supplied to the *Premises*. However, if either *you* or *we* dispute the accuracy of such reading, arrangements shall be made for such meter to be inspected and tested under the *Act*. If a meter is found to be operating within the limits of

- accuracy required by the *Act*, the cost of inspection and testing that meter will be borne by whoever disputed the accuracy of that meter.
