If ScottishPower supplies your gas and electricity at the same address you'll get an annual Gas & Electricity discount of £5.25 (incl. VAT) per fuel. This is shown on your bill as a daily amount. This discount does not apply to PowerUp, Standard Pay as You Go from 1st April 2017 or any fixed term Pay as You Go tariff launched after 10th February 2017.
 Your bill will show prices excluding VAT, with VAT at the then current relevant rate from time to time being added to the total charges to calculate the total amount payable. VAT inclusive prices are shown at the current rate of VAT, for illustrative purposes only.
 The prices set out in this leaflet will be amended if there is a change in the VAT treatment, or rate, at any time or times before 31st January 2019, by an amount equivalent to the applicable change in the VAT treatment or rate.
 For more information regarding Supply Area Codes please refer to the Understanding your supply area & meter types PDF in the Gas and Electricity Tariffs section.

If ScottishPower supplies your gas and electricity at the same address you'll get an annual Gas & Electricity discount of £5.25 (incl. VAT) per fuel. This is shown on your bill as a daily amount. This discount does not apply to PowerUp, Standard Pay as You Go from 1st April 2017 or any fixed term Pay as You Go tariff launched after 10th February 2017.

Your bill will show prices excluding VAT, with VAT at the then current relevant rate from time to time being added to the total charges to calculate the total amount payable. VAT inclusive prices are shown at the current rate of VAT, for illustrative purposes only.

The prices set out in this leaflet will be amended if there is a change in the VAT treatment, or rate, at any time or times before 31st January 2019, by an amount equivalent to the applicable change in the VAT treatment or rate.

For more information regarding Supply Area Codes please refer to the Understanding your supply area & meter types PDF in the Gas and Electricity Tariffs section.
